Jobson Healthcare Information (JHI) is a premier healthcare information and marketing services provider, with leading positions in a variety of growing healthcare markets such as pharmacy, eye care, clinician (physicians, nurse practitioners and physician assistants) and the managed markets (managed care, hospitals and government). Through its diversified, multi-media portfolio of marketing services, information databases, publications, medical education programs, events, websites and other digital and traditional media services, JHI is uniquely positioned to inform and educate a highly targeted network of approximately one million healthcare professionals across multiple specialties.

For 49 years, Frames Data has produced definitive references for eyeglass frames, ophthalmic lenses, contact lenses, and eyecare supplies and equipment, distributing those through specialized print, electronic, and web vehicles. Eye care professionals use our products to check product specifications, set pricing, verify managed care information, and manage their inventory systems.
